2009 has seen some great achievements and developments for MORE Café. In June MORE Café opened in The Dubai Mall. You will see a number of MORE Cafes opening within Dubai, Abu Dhabi and the GCC region over the next few years. This Dubai brand has great appeal to the international market. Don't be surprised if you spot MORE Café in your home town one day.

Earlier in the year MORE was acknowledged at 2 of Dubai's most recognized hospitality award ceremonies, the Time Out Restaurant Awards and the Whats On Awards. MORE Café came out trumps taking the award for Best Café and Best independent Restaurant in Dubai, a great testament to what is now an institution in Dubai and a definite hotspot among the residents of the city.

MORE was excited to feature at the first representation of a UAE Pavilion at the Venice Biennale International Art Exhibition. MORE was recognized for its contribution to supporting and showcasing residential artists within the UAE. All current artists being displayed can be viewed on the MORE website at www.morecafe.biz

The MORE team look forward to bringing you regular updates on the latest news and events and look forward to seeing you at the Café.
