March 2012 #09

Dear Friends,

With our first appearance at Gulfoods, February was a busy 'heads down, tail up' month for the team. This industry event gave the MORE brand great exposure across the region as the principals drive forward with expansion plans in 2012.

This coming month we are introducing some fun events which include our Wheel of Fortune, you spin and hopefully you win. There are some great prizes to be had. We have teamed up with Taaleem schools and will be hosting 2 creative events for the kids that will involve sandwich making and cake decorating. There will be prizes, giveaways and of course we are looking to award an ultimate champion in each event. We'll keep you updated on progress via our facebook page so be sure to like us if you haven't already.

One event not to be missed will be the 2012 Dubai Dragon Boat Festival on the 6th and 7th of April. We want to promote this early as it's a great family day out and will take place along the promenade of Festival City. We are proud our sponsored team the 'Dubai Diggers' will be defending their title.

Another family calendar date for your diaries will be 16 March when JESS Parents Group from Jumeirah English Speaking School host their Spring Fair in Arabian Ranches. We will have a stand where you can taste and purchase our range of homemade dressings, jams and chutneys.

Have a safe and healthy month ahead and we'll be back soon with more MORE updates.

For the first year we participated in one of the world's largest food exhibitions, Gulfood. Over a period of 4 days, we showcased a selection of our premium products that included pasta, coffee, ice cream and Antipodes water. The amount of enquiries we received from across the region was very exciting. Many thanks to all our customers who passed by and said hello!
