November 2012 #10

Dear friends,

We are very excited to announce that our doors at MORE Muscat will open on 26 November. We look forward to welcoming all our customers in Oman. You can visit our new location at the Royal Opera House Galleria. This stunning premise brings to life the first MORE experience outside of the UAE, a real milestone for the brand. We are busy ensuring the MORE experience goes global with projects underway in Abu Dhabi, Singapore, India and Egypt.

Al Murooj Terrace

The weather in Dubai is getting nicer by the day. Be sure to enjoy alfresco dining at our many outdoor terraces located across this city. Our once young seedlings that were planted on the MORE Al Murooj terrace are now providing a lovely shady canopy for you to enjoy. Perfect for this time of the year.

The English Speaking College held their annual Festive Fayre and we made sure we were there to be part of this wonderful community event. Over 2000 people from the schools community enjoyed a fun filled afternoon of entertainment, food and activities. We provided ice - cream tasting, live cooking demonstrations and had available all our homemade retail items for purchase. Our Chefs fresh Pasta Ravioli proved very popular.

GRAB & GO at MORE DIFC

Be sure to check-out our new lunch time counter, offering a range of options from sandwiches, salads and quiches. Perfect for those on the run.....

MORE

Mediterranean-style Lasagna
Spinach pasta with ratatouille
and creamy basil pesto sauce
topped with sun-dried tomatoes

Last Month at MORE Mall of the Emirates we awarded our finalists their prizes in the MORE Digital Photography Competition in association with DUCTAC. The final 12 photos were divided into 3 age categories and were displayed in the cafe for over 2 weeks. Customers voted for their favorite photos in this people's choice award. Thank you for all those who entered and well done to all our finalists. We will announce a new competition by the end of the year so keep your cameras on stand - by until then.

We are brushing up on our social media skills. The MORE Facebook page is a great place to stay up to date on all MORE activities. Be sure to LIKE US.
