April 2013 #12

Dear Friends,

Thank you to our patrons who joined us at MORE Mirdif City Centre for our "Woven Treasures" event with Fatima and Leila from Sougha. Fatima kindly demonstrated to us the age old Emirati tradition of weaving, and also proudly showed off some of her creations. Sougha products can be found at all of our outlets. 100% of the profits earned go back to the Emirati artisans that Sougha represents.
