August 2013 #13

Dear Friends,

We would like to thank all of our loyal and new patrons for taking the time to review our restaurants on TripAdvisor. With your help, we have won a TripAdvisor certificate of excellence award for 2013!

Your UAE Story in Four Photos

A reminder to all shutter bugs out there to get behind your cameras and take a few shots of what the UAE means to you. We have selected this theme to try and encourage amateur photographers to think out of the box when taking what might seem like ordinary, day to day scenes of Dubai and the UAE.

Your best photos could win you a Nikon D7000 Kit with 18-105mm lens for Adults OR Leica V-Lux40 for Teens!

Don't forget our upcoming MORE Talks where we will be joined by Omar Samra, the first Egyptian to climb Mount Everest and the seven summits!

21st of August at MORE DIFC from 6.30 onwards.

Try our NEW Chicken Shawarma Sandwich!

Lemon and Garlic marinated Corn Fed Chicken served on Ciabatta Bread, with pickles and French Fries on the side. Delicious!
