### More Café

**Best for:** Saturday family lunches

**Kid-friendly activities:** Limited to colouring sheets and the requisite high-chairs, but the atmosphere more than compensates.

**The menu:** Think spaghetti bolognese, hot dogs (recommended), burgers, and kiddie salads. For big kids there are dishes such as salmon, French casserole and nasi goreng.

**The staff:** On *Time Out Kids'* last visit to the Festival City branch, the manager showed the little ones how More cookies are made.

**Nearby distractions:** The venue boasts views of the marina, and there's bowling and a cinema nearby.

**Capacity for kiddie chaos:** There's no real room for overly unruly shenanigans.
