If you fancy a civilised Friday with healthy fare and at least the option of logo-embossed bread, you could do a lot worse than one of More's three laid-back eateries. Dhs95 buys you a massive plate of fresh pastries, ridiculous quantities of sliced melon, unlimited soft drinks, tea or coffee and a freshly made breakfast (their 'famous eggs' can be cooked to any specification as long as you don't want an egg white omelette), followed by a floating table buffet comprising all manner of protein: More beef, More chicken, More lamb. We've never had room for the Dutch pancakes.

Garhoud (04 2863 0442). Other locations: Gold & Diamond Park (04 323 4350), Murooj Rotana (04 343 3779). Every Friday 11am-4pm. Dhs95 per person
