More Café

Both branches of More offer the same winning formula: vibrant interior design, friendly staff, large and varied menus and huge portions of reliably good food. It's a super lunch spot – the sandwiches are huge with oversized fillings, the soups are bottomless and served with excellent bread, and the fruit juices are freshly squeezed and delicious. *Behind Lifco supermarket, Garhoud (04 283 0224). Dhs100-200. Other location: Al Murooj*

Gimme... big portions and good food, at More Café
