For breakfast at night...

More Café

More is an institution among Dubai's café classes and its breakfasts, in particular, are a delight. Alongside all the usual egg combinations, they offer substantial Continental and Oriental varieties, but it's the full English that keeps us coming back again and again. A generous three eggs cooked any way you like 'em is served with homebaked bread, beans, tomato and your choice of sausage or bacon. And did we mention that at More, breakfast is served all day? Call us spoiled, but we can't resist coming back for, well, more. And more. *Garhoud (04 283 0224). Serving breakfast 8am-10pm daily. Other location Al Murooj Rotana complex (04 343 3779)*
