More Café

If you have been in Dubai for more than a week, it's likely you have discovered More Café. We're not telling you it's there, we're reminding you that it's Dubai born and bred. Having received the What's On Award for Favourite Café/ Independent in 2009, managing partner Wouter Lap told us, "I wanted to create a place where you could go and be in total comfort." He's done just that. More Café, various locations, Dubai. Tel: (04) 2830224. www.morecafe.biz
